

Illinois Department of Revenue

Receipt for Qualified Education Expenses

To be completed by school personnel and distributed to parents or guardians

Calendar year _____

Recipients: Attach this receipt to your Form IL-1040, Individual Income Tax Return, if you figure an Illinois Income Tax credit for education expenses. You may have more than one receipt if you have more than 5 students attending the same school or if your children attend different schools.

Note → You must complete the ED Worksheet in the Form IL-1040 Instructions to figure the amount of your credit.

Received From: _____
Name of parent or guardian

Paid to: _____
Name of school

(This required information may be provided by the recipient.)

Address of parent or guardian
